

Statement of Intent for Clinical Faculty Appointment | Clinical Instructor

UBC recognizes that Clinical Faculty members make significant contributions in the education of undergraduate students, graduate students, postgraduate students, residents and fellows and often make contributions to research and academic administration at UBC.

We ask applicants to please confirm below their eligibility and intent to provide teaching for UBC. This form should be submitted with the other application documents to leah.ranada@ubc.ca.

Appointment Eligibility:

- Eligible individuals are clinicians governed by the Health Professions Act, currently practicing in their profession, and are licensed and in good standing with their respective British Columbia College.
- Individuals not governed by the Health Professions Act may be appointed at the discretion of the Department if they perform activities that support the delivery of patient care, or if they are public health practitioners whose work focuses on improving or sustaining the health of the population. A BC Health Authority or other public agency normally directly or indirectly funds their positions. They are members in good standing with their respective professional organizations.
- At this time, only individuals who hold an open work permit, a work permit that includes a UBC appointment, or have permanent resident status are eligible to hold a UBC clinical faculty appointment. **Those who hold a work permit naming solely the Health Authority as their employer are not eligible.**

By signing this form, I

, confirm:

- My intention to contribute to Undergraduate Medical Education (UGME) teaching and/or Postgraduate Medical Education (PGME) teaching
- I have demonstrated competence in clinical practice and a willingness to relate my practice to teaching
- I have read and understand the criteria for maintaining a clinical faculty appointment in the UBC Faculty of Medicine
