

UBC PSYCHIATRY STIMULUS GRANTS: PROJECT PROPOSAL

INDICATE THE STREAM for which you are submitting a proposal:

Junior Academic

Clinician

Child & Youth

GUIDELINES

Use the following pages to submit your research proposal using a font no smaller than 11pt. **All sections are mandatory.**

Sections A to F: Use the specified two pages to outline the scientific premise and merit of your proposal as per guidelines. You can tailor the length of each section from A-F as you see appropriate, however the combined length should not exceed TWO pages. Please do not insert additional pages.

Sections G and H: Use the specified page for budget and collaborator information as per guidelines; these sections have a specified word limit. Please do not insert additional pages.

MANDATORY SECTIONS

A. Project Title

B. Principal Applicant and Co-Applicant

[Name, Position, Main Affiliation(s)]

C. Collaborator(s)

[Name, Position, Main Affiliation(s)]

D. Significance

Briefly describe the importance of the questions addressed in the context of prior literature.

E. Approach

Outline the key features of the methodology (e.g., sample, data types collected, assessment methods, interventions, analytic plan).

F. Outcomes

Outline how the expected results will inform or advance the field and list the anticipated deliverables.

G. Role of Co-applicants / Collaborators

Define the role of the key senior academic co-applicant in the application and briefly describe the contribution of the other co-applicants and collaborators (not to exceed 350 words)

H. Budget Justification

Please itemize your budget and provide a brief justification for the funds requested (not to exceed 250 words)

PROJECT PROPOSAL: **SECTIONS A - F**

PROJECT PROPOSAL: **SECTIONS G & H**

G. Role of Co-applicants / Collaborators (Max. 350 words)

H. Budget Justification (Max. 250 words)
