

Re-Entry Residency Position, Department of Psychiatry

The UBC Department of Psychiatry has been funded for **1 Re-entry Residency Position in Psychiatry for 2025/26 academic year.**

This re-entry residency position comes with a 3-year **Return of Service (ROS) contract** with the Ministry of Health. This year, the ROS is anticipated to be completed in the **Fraser Health Authority** in British Columbia. For full details on the ROS commitment, please see the re-entry ROS contract templates and policy available on the Ministry of Health's [Re-entry webpage](#). The participant will be required to sign an ROS contract with the Ministry of Health prior to starting training. Training for this ROS position will occur in the Fraser Psychiatry PGE Track for PGY2 and 3 with years 4 and 5 being flexible for elective training opportunities anywhere in the province, in Canada and even abroad if approved.

Eligibility

- Fully licensed practicing physician registered with a Canadian or a United States regulatory body
- Interested applicants will have completed at least two years of post-graduate training and be in active practice for a minimum of 12 months at the time of application
- Applicants must also be a Canadian citizen or permanent resident / landed immigrant
- Transfers from other residency programs will not be permitted
- Physicians currently fulfilling BC Return of Service commitments will not be eligible to apply for re-entry until full completion of their term
- Preference will be given to applicants with a demonstrated interest in working in the designated Health Authority
- After completion of a one-month Transition to Discipline psychiatry block, entry is likely at the PGY-2 level based on assessment of the candidates experience by the Competence Committee of the Psychiatry PGE Program with additional credit for training or relevant experience potentially available

Application Process
